

## State Affiliate Fees

**State Affiliate Dues:** If your practice is located in a state listed below, the amount of the affiliate dues is noted. These dues are renewed annually on the date you joined with the renewal of your national dues. You MUST maintain membership in both the national and state association.

When renewing or joining NAEA, you are purchasing a full year of NAEA national and state affiliate membership (for states where an affiliate is present). Although the bylaws changes going into effect on September 1, 2024 will remove the dual membership requirement, there will be no prorated dues or refunds.
